### Professional Summary

Dedicated and self-motivated individual with great attention to detail capable of completing tasks with minimal supervision whilst being able to work under pressure. Excellent at communicating in groups and confident to take leadership where needed. Enthusiastic and ambitious individual looking to develop and learn new skills whilst experiencing new challenges.

### Experience

**Accounting Clerk – 01/2020 to Present****Menthe Accounting, Lanseria**

During university recess, I work at Menthe Accounting as a clerk. My responsibilities mainly consist of data capturing, reconciliation, IT support and any other task handed to me. Every time I return during recess, I am taught to do a new task.

**Student Intern – 07/2019 to 07/19****Sibanye Stillwater, Marikana**

As part of our second year of university, I was tasked to intern at a company of my choice. During this time, I experienced the work environment of various fields of IT professionals and received mentorship on how to approach and solve IT-related problems.

### Education

**BSc in Information Technology – 2018 to Present****North-West University, Potchefstroom****NSC Certificate – 2013 to 2017****Hartbeespoort High School, Hartbeespoort**

### Other

**RAG/JOOL**

I served on the RAG committee for 2 years. RAG is a large NPO organized and run by students. My responsibilities of my portfolio included stock management, event preparation and team building.

**Hostel committees**

I served on various committees for **Villagers Men's Residence**. From 2018 to 2021, I have been part of the social, SRCS, recruitment, R&O and arts committees of which I have been a 'bar captain' of the social committee for 2 years. During 2021 I was chosen as a member of the Seniorbond and elected chairman of finances.
